11 to 13 Weston Street

London SE1 3HN

Directions

From London Bridge Station: Take the Tooley Street exit, and go east on Tooley Street. Turn right onto Weston Street - this is the rail arch next to the "Britain at War" museum. Go south on Weston Street under the rail arch and proceed to the junction of Leathermarket Street. "The Leathermarket" is a quadrangle of office buildings on the southeast corner of Weston Street and Leathermarket Street.

Our office is in the basement of Lafone House, which is on the north side of the quadrangle.
